TYLOR, IRRESPONSIBLE CAPTAIN

All 26 episodes in a new collection with fully remastered video! Justy Ueki Tylor had his life all planned out: join the military, get a cushy desk job, and then retire with a big fat pension check. The perfect plan... until he wandered into a hostage situation

and somehow managed to save an Admiral! Now Tylor – a man who wouldn't know what discipline was if it bit him in the backside – has been made Captain of the space cruiser Soyokaze. The crew of this run-down ship is the craziest, rag-tag team of misfits you're ever likely to see, and they're not too fond of their complacent new leader. But they better learn to work together, because they're about to go head to head with the mighty Raalgion Empire. For better or for worse, the Earth's fate has been placed in the hands of a man who's either a total idiot – or an absolute genius!

**ROMEo X JULIEt**

For most of her young life, Juliet was forced to live a tortuous lie. Disguised as a boy, she lurked, hiding in the shadows of Neo Verona. But now, as her people's suffering reaches unspeakable levels, Juliet prepares to raise her sword and lead a rebellion against the villainous tyrant whose hands are stained by the blood of her ancestors. She is the last breath of a dying line of kings and the final, fleeting hope of a city that desperately needs her.

**THE SKY CRAWLERS**

The latest film from Mamoru Oshii, the acclaimed director of the Ghost in the Shell movies! A group of eternally young fighter pilots experience the sudden loss of innocence as they battle the enemy in astonishing dogfights above the clouds.

With his only childhood memory consisting of intense flight training, the fearless teenage pilot Yuichi's dogfights coexist with his struggle to find his missing past. When his beautiful, young female commander Suito is reluctant to discuss the fate of the pilot he is replacing – or the strangely perfect condition of that pilot's former aircraft – Yuichi's curiosity becomes heightened.
